Dear Sir and/or Madam,

This letter is written to you I the greatest admiration and respect for the Director and staff of AMAS.

My son is a client of AMAS and has lived in their group home for the last 3 years.

My son is autistic and has learned how to be more self-sufficient, he now communicates his needs more now than ever before.

He is healthy, well groomed and calmer. I thank AMAS for all they have accomplished so far in these three years.

Sincerely,

A handwritten signature in cursive script that reads "Mrs. G.H. Barnes".
